## What is L.I.C.O.A?

LICOA was founded in 1959 and is one of the largest Corvette Clubs in the USA. Every LICOA member has the opportunity to contribute to the club's direction. Our members have Corvettes representing all seven-production eras-C1 through C7 from 1953 to the present. Our annual events calendar is filled with activities from Tech Sessions to Judged Shows, Displays, Charity Events, Caravans, and Socials.

We participate and exhibit at Corvettes at Carlisle the largest gathering of Corvette owners on the East Coast. Many members also participate in the activities at the National Corvette Museum in Bowling Green, Kentucky, NCRS both National & Local.

Member's interests run the whole gamut of the Corvette World. Rallies, restoration or just hanging out talking cars and having fun. All of our activities are volunteer driven and as a new member this is the best way to meet new people and to enjoy the LICOA experience.

To join LICOA you must own or lease a Corvette and be as excited about this experience as your fellow LICOA members. As a new member you will receive a subscription to our monthly newsletter the CORVETTE COURIER, a LICOA window decal, membership card and the ability to purchase club apparel at a discount. Your dues with either no additional fees or minimum fees fund many events and activities.

Monthly Membership meetings are held at the North Bellmore Library on the 1st Wednesday of the month at 7:00 PM. The Board of Directors meets on the 3<sup>rd</sup> Wednesday of the month at the Bristol at 7:00 PM. If you wish to attend an open Board of Directors Meeting you may contact a Board member for directions.

We look forward to having you join us in LICOA. Membership applications can also be validated at our meetings and events.
