The End of An Era

by Lloyd Rosen, Editor-in-Chief

Since my earliest days as a member of LICOA, I have enjoyed the Saturday morning meet-ups at the Bagel Factory in Farmingdale. In those earlier days, “*Bagels*”, as it’s come to be known, was located next door to Dave and Busters. One of the great things about the location was the empty parking lot, as Dave and Busters was closed during the morning hours. This enabled us to bring our Corvettes when the weather allowed, without any of the usual parking lot fears while we enjoyed breakfast at *Bagels*. These Saturday morning meetups were about more than just the cars, of course. It was an opportunity for many of us to hang out, discuss the news, politics, to reminisce about days past, to inform each other about technical issues about the Corvettes, to discuss the long-awaited mid-engine C8, and to discuss the many LICOA events and happenings. In the nearly six years that I have been going to *Bagels*, although our group frequently got loud with discussion and laughter, I do not remember ever an argument or confrontation occurring among the LICOA members present. Everyone was there for the camaraderie (a term you have heard used frequently when LICOA is mentioned).

When Dave and Busters closed and we learned that a supermarket would be moving in, we immediately worried that our bucolic parking lot would be quickly overrun by rogue shopping carts, the mortal enemy of sports cars worldwide. For a short time, we considered moving elsewhere for our Saturday morning meetups, but we decided to stick it out and see how things developed, once the Stew Leonard’s opened for business, before we decided if it would be necessary to relocate. As it turned out, our concerns were overly exaggerated, and we able to peacefully coexist with the supermarket crowd.

While I was not there from the beginning, I am informed by lifetime LICOA member Rick Erdody (who has been there from the beginning) that the Bagel Factory has been LICOA’s Saturday morning home for approximately

seven years. Over the years, we have come to know many of the employees at Bagel Factory, and many of them have come to know us, including Mike, the owner. I was frequently greeted by name from several of the employees when I arrived and placed my breakfast order. We also got familiar with some of the law enforcement (members of Suffolk and Nassau police and highway patrol, and NYS troopers alike) who also frequented Bagels for their breakfast fix. It is comforting to have a place to go, where everybody knows your name (to borrow from *Cheers*).

In addition to tolerating our often sizable crowd and sometimes conversational din, Bagel Factory frequently supported LICOA with donations of gift cards for LICOA raffles at car shows and events. The parking lot of *Bagels* has also served as a very convenient meeting and launching point for many of our annual LICOA events, including but not limited to our North Fork cruises, Newsday's Field of Wheels and my personal favorite, Vettes & Jets. Most recently, we used *Bagels* as a meeting point for a Corvette caravan to Pinelawn Cemetery for our recently fallen LICOA alumnus Dave Peterson (RIP, Dave).

Sadly, it is now time to bid a farewell to *Bagels* as well. We all were surprised to learn on the Saturday morning before New Years, that the Bagel Factory would be closed for good come January 1. After what was described as protracted negotiations over a lease renewal, in the end, it appears that Stew Leonard's was more committed to having the space, and the landlord was not willing to make owner Mike an offer to renew the lease at a price that would make it possible for him to stay in business. Sadly, December 29, 2018 was our last LICOA meetup at *Bagels*. Our hearts go out to all the employees of Bagel Factory who were equally shocked to learn that come New Year's Day they would be unemployed. We wish them all well, and hope that they find alternate employment in short order.

LICOA members are a resilient bunch, however, and discussion and investigation began immediately to secure a new Saturday morning meetup location. Many ideas were tossed around, Google maps was repeatedly consulted for a bird's eye view of available parking, and recon teams were deployed to scout out new locations. A decision had to be made, and very specific needs had to be fulfilled to accommodate a LICOA meetup. To qualify for consideration, a potential new breakfast meeting spot needed to have, in order of importance; sufficient parking and indoor seating for as many as 20-30 or more (give or take) regular attendees and their cars, a good breakfast menu and tasty coffee, counter service and self-serve coffee, convenient location and access for our Nassau and Suffolk members, a friendly and accommodating staff, and outdoor seating for the nicer weather.

After an extensive search and the efforts of our recon teams, we believe we may have found a new home for our Saturday morning meetups, and our inaugural meeting on Saturday, January 5 was met with positive reviews.

We were welcomed with open arms by **News Stand Deli** in Melville, at the corner of Walt Whitman Road and Baylis Road, on the west side of Route 110. A large, nearly empty parking lot met us outside, and a friendly staff met us inside with a menu of breakfast items that would satisfy most everyone. There was plenty of seating, as the more than 20 of us in attendance practically had the place to ourselves. We also noticed large doors leading to

a patio with several large tables outside, which we anticipate will be available to us once the weather turns nicer. It would seem that we have found a new home for our Saturday morning LICOA gatherings, at least for the time being.

Every member of LICOA is welcome to join us every Saturday morning for these informal meetups. Most of us are there between 8 and 10 am, but some arrive earlier. Bring your appetites, your Corvettes, and your questions about your car or LICOA, but mostly your sense of humor as these Saturday meetups can be a lot of fun. See you there!

President's Message

By Gino Albanese

Happy and Healthy 2019 to All our LICOA Friends and Family.

As I write my final presidential message I have to thank all the members for the support to LICOA and the outgoing Board of Directors these past few years. With your help, support and hard work we have made LICOA "Great Again", but then again, LICOA was always great, we just tweaked it up. Now if we can only get that Wall? We had a lot of fun, excitement, and camaraderie during our tenure. We held many events, trips, and happenings, too numerous to list. Just look at some past Couriers. One most memorable happening was the "Wagon Train" of Corvettes caravanning to our Photo Shoot at Ponquogue Beach. We also laid the ground work for our 60th Anniversary celebration for 2019. Our President elect Ed Stichweh was chosen as the 60th Committee Chairperson and many ideas, innovations, and future events have evolved. We can look forward to a 60th Anniversary Brunch in September, a vast array of 60th merchandise, a 60th Anniversary Commemorative Journal, a 60th Anniversary National Corvette Museum Brick and a 60th Anniversary Collectors 2019 Calendar; designed by our member Jayne "Pink Corvette" Cafaro and printed by member Joe "MCP" Martin. We all thank you for your hard work and dedication to LICOA.

Congratulations to our new 2019/2020 incoming Board of Directors Ed Stichweh, with 103 votes, John DiBlasi, with 70, Dan Rodriguez, with 65, Gene Doyle, with 57, and Tom Donato, with 54, and our Alternates, George Reich, with 52 and Bob Spinicchia, with 45. Again, we can feel confident that these experienced and dedicated members will continue the LICOA camaraderie, fun, excitement, and entertainment that we have all enjoyed. I hear the board elect has already hit the "yellow" bricks and has started with ideas and agendas in planning LICOA's "enchanted" forest of the future. I can only envision the mysterious, magical, romantic, elegant, haunted, or any combination thereof, of adventures ahead. One such romantic and elegant event coming up is our Valentine's Day Brunch scheduled for February 10th at the Black Forest Brew Haus in Farmingdale. See, I told you we are in the enchanted "forest" and it's even black! Yes, the Valentine's Day Brunch is a decades old traditional favorite event of LICOA. I can remember one of our earlier enchanted "sweetheart" days at the Crab Meadow Country Club

chaired by Chris Biancaniello. When was that Chris?, in the early nineties without GPS, Cell Phones, Laptops and Apple, it was a Mac or IBM286 with dos!, and the six speed Corvette was becoming a reality. We also did incorporate an impressive Corvette caravan to the North Shore event. So be sure to sign up for our traditional Valentine's Day brunch next month. Ask for Chris while you are there or our Historian Bob "Hotdog" Pandy because I know these guys have many tales of events past and the "enchantment" of it all.

Dues Renewal: Be sure to get your 2019 renewal in soon so you don't miss out on all the fascinations and thrillers to come. Check your information and update or correct as needed. Contact membership chairman if you did not get a renewal or if you need further information.

Good and Welfare:

We wish speedy recovery to Jim Scarry from a 4x4 accident.

Our Condolences and Sympathy to our LICOA families on the recent loss of member Bruce Kusty, past president Ed Bradley's mother-in-law Asturia Vargas, member Andrew Pernice's wife Annamarie, member June Owens father-in-law Harold Bartlett, member Philip Kostis's mother-in-law Mary Kitt, and past member David Peterson.

As most of us know by now, Dave Peterson, ten-year LICOA member passed on Dec 14, 2018. Dave was an active member of LICOA who volunteered for a variety of LICOA functions and loved judging at our car shows. He was the first to step up to support the club. For those of us that attended various car shows around the Island with Dave, it was always a pleasure to see that red C4 with the license plate "Dave C4" pull in because we all knew this was going to be a fun day.

Dave was a big man, and to see him getting out of that C4 cabin was, to say the least, interesting. First the left leg and then the twist, and then the right leg and a grab of the roof, and out came Dave. And of course, he reversed the process to get into the car. But the real fun started when Dave and his long time friend, John Bewley, would get together at these shows and the kidding between them continued the whole day. The one liners were priceless and made the day fly by. Dave was also a regular at Saturday morning Bagels and always fun to be around.

It was our pleasure to call Dave our friend and this friendship was created by this car club. Rest In Peace Dave.

MARK TULLEY - LICOA MEMBER

The Day the Bagel Died (apologies to Don McLean)

By Clif Nagel

December 29 2018...a day that will live in infamy.....what catastrophic event that changed the course of History happened on that day you ask?

It was the day that Curly Mike came over to the LICOA table in the front corner of The Bagel Factory and told the early birds that his lease was over and he couldn't come to terms with the landlord, so this was our last Saturday meeting because he was closing. For all those that haven't gone to one of these meetings you are . . . or were . . . truly missing out on one of the best activities, in my opinion, that being a member of LICOA has to offer. It was a chance to meet informally on a Saturday morning . . . have a bagel or whatever you like . . . and spill your heart and soul out on whatever rotten or good thing happened to you that week. It was a chance to display our cars, weather permitting, in the parking lot and hang out all morning or whatever time you want. A chance to acquire knowledge about our cars or not – whatever you choose. It was a chance to sit next to good people and after awhile think to yourself "maybe I voted for the wrong guy". It was a chance to sit next to someone on Social Security and on Medicare and devise your best course in the coming years. All this in a totally informal setting with no strings attached.

But wait. After interrogating the local Policemen we have located a new venue – a location called the "News Stand Deli" located at 1730 Walt Whitman Road in Melville. Just a couple miles from the Bagel Factory. Our new Governor, Dan Rodriguez, and his lovely bride Christine, have already scoped the place out and said its very promising. He has reported that the owner, Keith, is looking forward to seeing the LICOA crowd on Saturday mornings. We have already sent Gregg and his co-pilot Jackie on a spy mission and they report that the place is very nice and the food is good.

So Rick Erdody took our picture off the wall at the Bagel Factory, and we all said goodbye to a LICOA activity that lasted more than 7 years. But things are looking up. We are going to try this new place. Maybe this guy will wipe the tables and sweep the floor.

NCM Offers Monthly Chance to Win a New Corvette

Each month, the National Corvette Museum holds raffles, where the prize is a new Corvette with Museum Delivery and a tour of the Bowling Green Assembly Plant. These raffles have proven very popular, and are a great way for the Museum to raise money. Since the introduction of the C7 Stingray, virtually every ticket for every limited entry raffle conducted by the NCM has been sold. You can purchase tickets and find more information about these raffles at the Museum's website, at the following link: raffle.corvettemuseum.org. You may also contact our own NCM Delegates (see page 2). Because of LICOA's support of the NCM, each month, we will feature one of the upcoming Corvette raffles here in the Corvette Courier. Good luck to everyone who enters! Be sure to let us know if you or someone you know wins!
