What is LICOA?

LICOA was founded in 1959 and is one of the largest Corvette Clubs in the USA. Every LICOA member can contribute to the club's direction. Our members have Corvettes representing all eight (8) production eras of C1 thru C8. 1953 to the present. Our annual events calendar is filled with activities from Tech Sessions to Judged Shows, Charity Events, Caravans and Socials. Something everyone will enjoy.

We also participate and exhibit at Corvettes at Carlisle the largest gathering of Corvette owners and fans on the East coast. Many members also participate in the activities at the National Corvette Museum in Bowling Green, Kentucky, the National Corvette Restorers Society (NCRS) both Local and National. Member's interest run the whole spectrum of the Corvette world. Rallies, restoration or just hanging out talking cars and having fun. All our activities are voluntary and as a new member this is the best way to meet new people, learn about your Corvette and enjoy the LICOA experience.

To be a LICOA member you must own or lease a Corvette and be excited about the Corvette experience as your fellow LICOA members. As a new member you will receive a subscription to our monthly newsletter the Corvette Courier, a LICOA membership ID card and a window decal and the ability to purchase club apparel from our Merchandise group. Your dues along with nominal fees for many events and activities help to fund the events.

Monthly Membership meetings are held at the Bellmore Library on the 1st Wednesday of the month at 7pm.

We look forward to having you join us at LICOA. Membership applications can be obtained on our website www.licoa.org, at our meetings or events or by contacting the Membership Chairman at: membership@licoa.org
